ABOUT THIS PROJECT

It was designed to complement the reading skill of PG6 students at FES Acatlán, but it can be used for any other class with the same level.

GENERAL INFORMATION

To navigate, you can find the menu at the top of the Webpage.

The intended level for this activity is B1 minus.

STANDARDS

The standard needed follows the same used at the Language Center.

HAVE YOU EVER WONDERED

what some people do for a living?

Imagine yourself trying to find your dream job, but it is not available at the moment.

- You are about to discover what other people around the world are doing to earn a living.
- Invite a couple of friends to choose a different job and explain the reasons for that choice.

You will do some research and find what OTHER unusual, strange or weird jobs are out there. Then you will choose one for you and two others for two of your best friends according to your personalities.
